

Now situated in new modern, premises in Hall Street Cessnock, Northnet is looking to an exciting future.

Northnet's pledge "to enrich people's lives by helping them achieve their full potential so that they can make a greater contribution to their family and their community. "

This is done by focusing on sustainable skills development through a range of services including:

- Nationally accredited training
- Diploma level training for new and existing workers
- traineeships
- Government assisted Skills Sets training programs
- Community focused programs

Northnet works with individuals, businesses, government and communities to identify opportunities to meet local needs through high quality, customer focused services. We have a strong commitment to continuous improvement and innovation, and are proud of our achievements in helping others improve their skills and career potential.

Northnet is growing it's business and can be seen as the premium provider of training in the Hunter. Training is taking place as far away as Muswellbrook and all across Newcastle.

Over 2500 people trained with us in 2009.
